**E-3 Bid Waiver – Motorola **ATM Advance Tactical** Mapping Software for Fire Vehicles**

Suggested Resolution

Resolution #2009-03-

Moved by

Seconded by

WHEREAS, Motorola is the sole supplier of the proprietary **ATM Advance Tactical** Mapping software;

WHEREAS, The Troy Fire Department has researched mobile computer mapping applications for use in fire emergency vehicles and finds the Motorola **ATM Advance Tactical Mapping** to be the most functional and cost effective; and

WHEREAS, CLEMIS has deployed the Motorola **ATM Advance Tactical** Mapping software program in all law enforcement mobile data computers in Oakland County;

THEREFORE, BE IT RESOLVED, That Troy City Council hereby **WAIVES** formal bidding procedures and **AUTHORIZES** the City of Troy to purchase twenty (20) licenses for the **ATM Advance Tactical** Mobile Mapping software from Motorola, Inc. for an estimated total cost of \$16,880.00.
